Dear School Head:

The Private Education Assistance Committee (PEAC) is pleased to announce the conduct of the 2022 GASTPE Orientation Conferences for the Department of Education's Education Service Contracting (ESC), Teachers' Salary Subsidy (TSS), and Senior High School Voucher Program (SHS VP) via a series of webinars in July and August 2022.

The PEAC co-implements the ESC, TSS, and SHS VP, which are provided for under R.A. No. 8545 or the Expanded Government Assistance to Students and Teachers in Private Education (EGASTPE) Act and R.A. 10533 or the Enhanced Basic Education Act of 2013.

All participating schools are expected to comply with the program guidelines issued by DepEd, the institutional owner of the programs. One of the requirements for participation in the programs is the attendance of participating schools in the orientation conferences.

**Attendance in the orientation conferences has been made a pre-requisite to the access to the billing facility of the ESC IMS and SHS VMS managed by PEAC to ensure that participating schools adhere to the implementation guidelines in the creation and submission of billing documents. As per program guidelines, non-attendance is considered a program violation and the PEAC shall be constrained to give schools that fail to attend the orientation seminars without a valid reason later access to the billing facility or a monitoring finding for repeat offense.**

Please find below the details of the 2022 GASTPE Orientation Conferences for your guidance:
