

11 July 2022

Dear School Head,

Greetings from the Private Education Assistance Committee!

Please be informed that a Certification Orientation for SY 22-23 will be held on the same days as the GASTPE Orientations (July 26-29 and August 1-3, 2022). These afternoon Orientations will host the same regions as those that attended in the morning of the same dates.

With the discussion revolving around policies and guidelines on continued participation in the ESC Program, the said orientations expect schools scheduled for SY 22-23 to be in attendance. JHS Principals, with 2 other school representatives involved in the ESC, are required to be in attendance from 1:30 until 5:00 in the afternoon.

Note that this activity will have a different registration from the morning GASTPE Orientations. To ensure that attendance will be properly documented, online registration will run from July 18 to 25, 2022. There is no registration fee for the Certification Orientation webinars. During registration, the school will be asked to provide the required information: complete name of the school, ESC ID, and a valid email address per registrant. Invitation to the webinar will be sent to the email addresses provided in the online registration.

For your reference, the program has been attached to this communication.

You may contact the Certification Unit for schedule and program inquiries and the Information Technology and Information Management Unit for registration concerns. You may also coordinate with your respective PEAC Regional Secretariat. The directory is posted on our website and Facebook page. Thank you.

Thank you very much.

Truly yours,

RHODORA ANGELA F. FERRER
Executive Director
